

Hello Course Attendees:

I thought that I should write you a quick little note on items that would be good to bring with you to the Display Operators Certification Course.

As you know, we will be doing "Live Fire" exercise, so the following items would be a real plus:

- Safety Glasses
- Cotton clothes (Denim or the like)
- Hard Hat
- Hearing Protection
- Water or other drinks for during the class (I am sure that I don't have to mention that alcohol is really not a good idea).
- A chair to sit on for outside

We will have some of these supplies available, but our supplies are limited, so if you have your own gear, please bring it.

Additionally, although there will be a lunch supplied at reasonable cost.

You are invited to attend the MPAG meeting and Shoot. We will be having a potluck dinner, so please bring a dish to pass, if you plan on attending, but please make sure that it requires no refrigeration.

MPAG members will be shooting (and showing off) many of the shells that they build for themselves, as well as other interesting items. You must be a current MPAG member to shoot during the evening, but please feel free to enjoy the show.

Thanks again for attending the Course. I look forward to seeing you on Saturday, May 16, 2009, bright and early. Please remember that the class is scheduled to start promptly at 8:00 am.

Fred Hopper
Secretary - MPAG
Co-Director of Training - PGI
